# 1. Blessing of Glory

A F#m A D A E7  
Now the light of glory arises like the sun that shines on high;  
F#m C#m A D A  
Now awaken into freedom, O revive, you spirits, O revive!  
F#m D Bm7 E7 A  
Wake the mountains and the valleys; bring alive the springs of the earth.  
E7 A F#m C#m F#m C#m A7  
Light the world forever with the Light of your rebirth.  
D A F#m A E7 A  
Light the world forever with the Light of your rebirth.

We are called to bring back the glory to the life of God above;  
Now the Lord in His greatness fills the universe with tender love,  
Ever seeking souls awakened, ever calling them to be free.  
How shall I attend Him who is calling to me?  
How shall I attend Him who is calling to me?

From the dark of death I awaken and rejoice to live in grace;  
When the one who came to save me holds me tenderly in His embrace;  
I rejoice to feel the comfort of the love He has for me.  
What a blessing of glory, to rejoice eternally!  
What a blessing of glory, to rejoice eternally!

Now He lifts me up to embrace me in the blessing that is mine;  
What a blessing to receive Him in a love so tender and divine;  
How can I return the blessing? Though in all my life I will try,  
I can never stop feeling how unworthy am I.  
I can never stop feeling how unworthy am I!

*Words: Rev. Sun Myung Moon 1950*

*Music: Duk Chin Kim*

Come, follow Him, He is the shepherd you have sought.  
Without Him you tremble in weakness, far from the path of life.

Oh, my little lambs, hunger and thirst may torture you,  
Receive Him completely with all that you have.  
You shall be healed, Heavenly strength will fill your soul,  
And deep boundless joy will swell within you eternally.

Oh, my little lambs, now is the time for joyful heart,

My Father has to say to me, 'Go and die now in my place.'

Now pledging I will go, determined I will go,

Father, now I' m changing to Your way,

For no other will I follow, but go my Father' s way.

Upon Your waiting altar I kneel without a word.

My life shall be the sacrifice; I will faithfully obey.

Now persevere as the brightness is growing,

On to the victory and glorious crown,

Giving my body and soul, I' ll follow the Lord all of the way;

Giving my body and soul, I' ll follow the Lord all of the way.

I' m ready to serve, I' m ready to serve.

Serving my Father' s desire,

Trials darken the path,

Deep in my heart the desire of the ages,

Fighting until we come home to the Lord,

Satan will bow in defeat, I' m ready to serve all of my life;

Satan will bow in defeat, I' m ready to serve all of my life.

## 21.Suffering

So many saints have journeyed this road;  
Em G6 D7  
No one could make the pathway complete;  
G B7 Em C G  
Now at last He opens the way,  
C D D7 G  
Calls us to come, waits for us all;  
G7 C  
All the host of men and angels  
D7 G  
Failed to do the will of Heaven;  
G#dim7  
Now the Lord is still awaiting,  
Am G6 D6 G  
You alone must answer His call.  
Glory concealed, He suffers again,  
Wrongly accused of lowliest crimes,  
Though His path is thorny and long  
Still I must go, follow my Lord;  
In His presence Eden blossoms,  
So a dungeon may be Eden;  
Just to be with my beloved,  
I'd endure all torture and pain.  
I give my pledge to go with my Lord,  
I too shall walk the way He has gone;  
Though I meet the shadow of death,  
He is my life, I am His own;  
Strong desire swells within me,  
Leading me to go be with Him;  
In my heart such strong desire,  
Not a one can stand in my way.  
Shameless disgrace! You tie Him in chains  
Scorning my Lord, you lead Him away;  
Words and pictures witness your sin;  
All men shall, judgment shall fall;  
Blind officials ridicule Him,  
Still the high priests; mock the Saviour;  
Do you mean to force upon us  
Tragedy and suffering again?

## New Life

Where are His children who answered the call

C G C#dim7 D D7

Of the archangel sounding afar?

G D7 C

People who trembled as lightning flashed,

C G 6 G

Blazing the sky from the East to the West,

Dark is the sun, dim is the moon,

D 7 G

Thousands of stars falling to darkness;

G#dim7

Where are the ones blessed with new life,

Am G6 D7 G

Liberated from the dead?

Now we behold a new heaven and earth,

Holy Jerusalem, standing anew;

After our search of six thousand years,

Eden rejoices to welcome us home.

All of our tears, wipe them away;

Sorrowful sighs, we will not need them;

Where is my Lord, He who returns?

Where is Heaven's glorious One?

Once He departed by way of the cross,

Now He returns and He suffers again;

One way is given to me our Lord;

Follow the path to the bottom of hell.

Glorious star, Lebanon's light,

Shining on all, lighting the ages;

There is the great city of God,

Where the sun arises and shines.

Come in rejoicing and look to the light,

See how the darkness is rolling away;

Out of the few come a multitude;

Joyfully building the city of God.

Children of life stream thru the gates,

Close to His heart, singing to please Him;

Raising the white cross to the sky,

Praising our eternal new life.

Gm Dm dim7 Cm

He who made the lame leap for joy, He who made the blind man see,

Gm Dm dim7 Cm

He who freely walked on the waves, where are all those miracles now?

See Lord Jesus bent in shame, see Him bear His heavy cross,

See Lord Jesus bent in shame, see Him bear His heavy cross.

Spent, exhausted, body and soul, now He stumbles and He falls;

Whipped from behind, driven along, Jesus treated just like a cow,

Where are His men? Where are the twelve? Jesus now is standing alone.

Not even one man is there bearing the cross for his Lord.

Tho' the crowd may pity a thief, freeing sinful men of this world,

Who'd volunteer to take His place, take the cross for God's son Jesus?

How very sad, how very sad, mighty Father shedding tears;

Lost and betrayed, lost and betrayed, all the Father's hopes are gone.

Even the most ignorant men have a shred of common sense;

Who can see the Father's despair, who can share His suffering pain?

See Lord Jesus on the cross, nails are hammered through His hands,

See Lord Jesus on the cross, nails are hammered through His hands.

What kind of sin did He commit, this, the only Son of God?

Like a pure innocent sheep, He is dying, dying for you.

Father above He cannot watch; When He turns His face from His Son.

"My God, my God" Jesus cries "Why do you now forsake me?"

Twelve disciples shared all His ways, still were deaf and blind to His heart

All gone to waste, all gone to waste, Providence of God is broken

No use now to cry and repent, all repentance comes too late.

To prepare His coming again, sacrifices must be found.

All the faithful shedding their blood, spilling for two thousand years.

All this bloodshed, salvation's price, for three billion men of today.

So I can see how sin began sprouting within my soul.  
When my Lord came over to me, I would not hear His voice;  
Blinded and deaf, closing my heart, I ran away from Him.  
So I remained lost in desire only for myself.  
Grieving the Lord suffered for me, going again to the cross.  
Grieving the Lord suffered for me, going again to the cross.  
To restore the black lonely night held by the power of sin,  
Deserts He crossed, walking the way, climbing the rocky peaks.  
Searching for us people of sin who deserve to die,  
How then could I ever begin thanking the Lord for such grace?  
How then could I ever begin thanking the Lord for such grace?  
To defeat the power of death, fighting the realm of sin.  
I sought the Lord, longing for Him, Bridegroom of my soul.  
Tortured my heart, suffering alone, fighting deepest pain,  
Finally today I greet the Lord, gaining all comfort from Him.  
Finally today I greet the Lord, gaining all comfort from Him.

You persevered, faithful to me, longing for this day.  
How you've become lovely to see through all your suffering and pain,  
How you've become lovely to see through all your suffering and pain.  
Come, O come, together we'll sing songs of eternal praise.  
Taste now my love, treasure so pure, Heaven's gift for you;

Out of all the multitude, there was none who knew,  
                         D              G              A              A7      D  
How the Father' s heart was aching, grieving after man.

Glorious God, who started life throughout the heavens,  
Bore the deepest torture as He saw His children die.  
Every day He seeks the beauty lost inside our hearts,  
Tenderly with love He leads us back to life with Him on high.  
How many fathoms deep is His aching heart?  
All the tears He shed for earth became an endless sea.

Deep from within the heart of heaven came the secret,  
Now the mighty word, the trumpet call will surely sound.  
But as in the time of Noah people laugh and mock,  
Satisfied to wander aimless in the darkness underground.  
Fearful is the time to come when the price is paid!  
One and all will face the judgment from an angry God.

Quickly believe, my people quickly turn and follow!  
You can be enfolded in the warmth of Father' s heart.  
All the joy that life can offer calls us home to Him,  
Now He calls you to be near Him never again to be apart.  
When at last we run to Him, how He' ll cry with joy!  
All rejoicing, all together now and evermore.

Never I knew what life should be;  
All I can do is follow Your way.  
When on the path, I stumble and fall,  
Turning, You give the courage I need.  
Though the path is narrow and steep;  
Cruel thorns leave a trail of blood.  
Still I pledge I will follow the way,  
Follow as far as my Father will lead.

Freed from a sleep so deep and dark,  
Gladly I wake to knowing your will.  
Though death may stab me time and again,  
Nothing can change a loyal heart.  
This I pledge, my life is for You;  
For Your will I rush forward to die.  
This I pledge till the struggle is done,  
Till we proclaim the victorious day.

When the Saviour conquers all his foes,  
And makes His people one, and makes His people one.

Come brethren you that love the Lord,  
And taste the sweetness of His word;

To Sodom's foul and wretched streets, I will bear the word with love.

I bind my heart, my life to Yours, that it may be an offering,

I bind my heart, my life to Yours, that it may be an offering.

To You belongs our full acclaim, all glory power and honor,

The world's contempt I do not fear, I will gladly bear the cross.

Without esteem, without renown, I only wish to follow,

And He longs for them to come back home,  
All the ones who left Him behind.

If I give all the strength I have I shall achieve the goal.

I sacrifice to do His will, no trial I cannot bear.

I give my life to go this way, no one can turn me back.

Our Father always persevered to see His will be done,

If all His children join the task it soon will be achieved.

If not, the lonely years of strife will all have been in vain.

No matter what, in fighting on, we'll win eternal joy.

D              D7              G              D  
I once was lost, but now I' m found,  
                                 A7      D  
Was blind, but now I see.

'Twas grace that taught my heart to fear,  
And grace my fears relieved.  
How precious did that grace appear,  
The hour I first believed.

Through many dangers, toils and snares,  
I have already come.  
'Tis grace hath brought me safe thus far,  
And grace will lead me home.

The Lord has promised good to me,  
His word my hope secures.  
He will my shield and portion be,  
As long as life endures.

Yea, when this flesh and heart shall fail,  
And mortal life shall cease.  
I shall possess, within the veil,  
A life of joy and peace.

Angels watching over me, my lord,

And now sounds it in the sky,

Angels watching over me.

G

Glory, glory, Hallelujah! Glory, glory, Hallelujah!

Em C

D7

G

Glory, glory, Hallelujah! His truth is marching on.

I have seen Him in the watch-fires of a hundred circling camps.

They have built Him an altar in the evening dews and damps.

I can read His righteous sentence by the dim and flaring lamps:

His day is marching on.

He has sounded forth the trumpet that shall never call retreat;

He is sifting out the hearts of men before His judgement seat.

O be swift my soul, to answer Him, be jubilant my feet!

Our God is marching on.

In the beauty of the lilies, Christ was born across the sea.

With a glory in his bosom that transfigures you and me.

As He lives to make men holy, let us live to make men free!

While God is marching on.

He is coming like the glory of the morning on the wave;

He is wisdom to the mighty, He is honor to the brave.

So the world shall be His footstool and the soul of wrong His slave.

Our God is marching on.

# Belvedere Song

D G D  
 I know a place where the sun shines like gold,  
 E7 A7  
 Where the cherries bloom forth in the snow,  
 D G D  
 And down underneath is the loveliest place,  
 G A7 D  
 Where the four leaf clovers grow.

One leaf is for faith, and one is for hope,  
And one is for love you know,  
And God put another one in for you,  
If you search you find where they grow.

But you must have faith and you must have hope,  
You must love and be strong and so,  
If you work, if you wait, you will find the place,  
Where the four leaf clovers grow.

 Waking or sleeping, Thy presence my light.

Be Thou my wisdom and Thou my true word,  
 I ever with Thee and Thou with me, Lord;  
 Thou my great Father, and I Thy true son;  
 Thou in me dwelling, and I with Thee one.

Riches I heed not, nor man's empty praise,  
 Thou mine inheritance, now and always;  
 Thou and Thou only, first in my heart,  
 High king of heaven, my treasure Thou art.

High king of heaven, my victory won,  
 May I reach heaven's joys, O bright heaven's son!  
 Heart of my own heart, whatever befall,  
 Still be my vision, O ruler of all.

We will understand it better bye and bye.

We are often destitute of the things that life demands,

Want of shelter and of food, thirsty hills and barren lands,

We are trusting in the Lord, and according to His word,

We will understand it better bye and bye.

Trials dark on every hand, and we cannot understand

All the ways the God would lead us to that blessed promised land.

But He guides us with His eye, and we' ll follow Him on high,

And we' ll understand it better bye and bye.

You gave us trees, we cut them down.  
Skies of blue, we' ve made them hazy.  
The lakes and streams are dark and cold,  
And it' s time again for him to come back home.

The things we done have all gone wrong,  
And it' s time again for him to come back home.

Christ came to earth like a beacon in darkness;  
Temple of light and a channel of love saying;  
Do ye now know that you all are His temples,  
Meant to be perfect as your father above, But  
Who understood Christ and who stood beside him?  
And who in their pride and their fear turned away?  
Men of the laws and men of the scripture,  
Still lost in darkness in the light of day.

The road has been long, the road has been trying.  
We' ll never stop until Thy kingdom come. Let  
Christ' s light guide all men, keep all men from darkness.  
Teach all men to be God' s true daughters and sons.  
Is this not the land created for freedom?  
Is this not the land that my God gave to me?  
This is the country we built with our Father,

A place where a man and his God should be free.

## Go Tell It On the Mountain

### Chorus:

Go tell it on the mountain,

Over the hills and everywhere,

Go tell it on the mountain,

To let my people go.

Who' s that yonder dressed red?

Let my people go.

Must be the children that Moses led.

Let my people go.

Who' s that yonder dressed in red?

Must be the children that Moses led;

Go tell it on the mountain,

To let my people go.

Who' s that yonder dressed in white?

Let my people go.

Must be the children of the Israelites.

Let my people go.

Who' s that yonder dressed in white?

Must be the children of the Israelites.

Go tell it on the mountain,

To let my people go.

Who' s that yonder dressed in gold?

Let my people go.

Must be the children of our leader' s fold.

Let my people go.

Who' s that yonder dressed in gold?

Must be the children of our leader' s fold.

Go tell it on the mountain,  
To let my people go.

Who' s that yonder dressed in blue?  
Let my people go.  
Must be the children of Reverend Moon  
Let my people go.  
Who' s that yonder dressed in blue?  
Must be the children of Reverend Moon.  
Go tell it on the mountain,  
To let my people go.

## Halleluia, Let' s Be Free

G                      Am  
As I look out of the window on a sunny day,  
D7                      G  
The building of trees and the children play.  
Am  
The darker days of winter now have gone away,  
D7                      G  
It' s a lovely, lovely day.

### Chorus:

Give your heart in love and I' ll give mine  
D7                      G  
On this lovely, lovely day.

Seagull cries above me in great delight,  
Sparrow spreads her wings in flight.  
Brother and sisters we all are one,  
On this lovely, lovely day.

La la la...(to the tune of the verse)

Now a world of love has never been seen before,  
So come on open every door.  
Let your heart be free to fly away,  
On this lovely, lovely day.

## **(Hand In Hand)**

We see the fire in the sky  
We feel the beating of our hearts together.  
This is our time to rise above.  
We know the chance is here to live forever,  
For all time.

### **Chorus:**

Hand in hand we stand,  
All across the land,  
We can make this world a better place in which to live.  
Hand in hand we can  
Start to understand.  
Breaking down the walls that come between us for all time.  
Arirang.

Everytime we give it all.  
We feel the flame eternally inside us.  
Lift our hands up to the sky.  
The morning calm asks us to live in harmony,  
For all time.

**(Repeat chorus twice )**

We could fly so high let our spirits never die,  
In my heart I feel you are all my brothers.  
Create a world with no fear together we'll cry happy tears,  
See the nations turn their swords into plowshares.

We could, really get there, if you cared enough for the living,  
Make a little space, to make a better place.

              E7                      A  
A higher plane than I have found,  
                                E        B7        E  
Lord plant my feet on higher ground.

My heart has no desire to stay,  
Where doubts arise and fears dismay,  
Though some may dwell where these abound,  
My prayer, my aim is higher ground.

I want to live above the world,  
Though Satan' s darts at me are hurled,  
For faith has caught the joyful sound,  
The song of saints on higher ground.

I want to scale the utmost height,  
And catch a gleam of glory bright,  
But still I' ll pray till heav' n I' ve found,  
Lord lead me on to higher ground.

## Hills And Valleys

### Chorus:

C            F            G  
Amen! Come the Lord into our midst,  
C            F            G  
Songs of life springing from his lips.  
Am            F  
And all who heard the words he spoke,  
C            F  
Laid them up in their hearts.  
Ab            Bb            C  
And believed in him whom He had sent.  
F            G            C  
And believed in him whom He had sent.

The mothers and the fathers,  
Their daughters and their sons,  
All somewhere deep inside their hearts  
Were waiting for the one,  
The one who knew the heart of God  
The one whose eyes could see.

Could it be he was the one who came,  
To set the people free?  
Could it be he was the one who came,  
To set the people free?

In the world of flesh and the world of soul,  
All creatures heard the news.  
The one who taught the way of life  
Was good and clean and true.  
The one who knew the heart of God,  
The one whose eyes could see,  
Could it be he was the one who came,  
To set the people free?  
Could it be he was the one who came,  
To set the people free?

## How Great Thou Art

A                      A7              D  
O Lord my God, when I in awesome wonder,  
                    E7                      A  
Consider all, the worlds Thy Hands have made.  
                    A7                      D  
I see the stars, I hear the rolling thunder,  
                    E7                      A  
Thy power throughout, the universe displayed.

### Chorus:

                    D                      A  
Then sings my soul, my Saviour God, to Thee;  
                    E7                      A  
How great Thou art, how great Thou art!  
                    D                      A  
Then sings my soul, my Saviour God, to Thee;  
                    E7                      A  
How great Thou art, How great Thou art!

When through the woods, and forest glades I wander,  
And hear the birds, sing sweetly in the trees.  
When I look down, from lofty mountain grandeur,  
And see the brook, and felt the gentle breeze.

And when I think, that God, His Son not sparing,  
Sent Him to die, I scarce can take it in,  
That on the Cross, my burden gladly bearing,  
He bled and died, to take away my sin.

When Christ shall come, with shout of acclamation,  
And take me home, what joy shall fill my heart!  
Then I shall bow, in humble adoration,  
And there proclaim, my God, How great Thou art.

## I Believe I Can Fly

E Am  
I used to think that I could not go on,  
E Am  
And life was nothing but an awful song.  
E Am  
But now I know the meaning of true love,  
E Am  
I' m leaning on His everlasting arms.

C#m Am  
If I can see it, then I can do it,

If I just believe it, there' s nothing to it.

### Chorus:

E  
I believe I can fly,  
C#m7  
I believe I can touch the sky.  
F#m  
I think about it every night and day,  
B  
Spread my wings and fly away.  
C#m  
I believe I can soar,  
Am  
I see me running through that open door.  
E  
I believe I can fly,  
Am  
I believe I can fly,  
C#m (Last chorus, end with E)  
I believe I can fly.

See I was on the verge of breaking down,  
Sometimes silence can seem so loud.  
There are miracles in life I must achieve,  
But first I know it starts inside of me.

If I can see it, then I can be it,  
If I just believe it, there' s nothing to it.

### Chorus

## I Cannot Come

### Chorus:

E

I cannot come,

A E

I cannot come to the banquet; don't trouble me now.

B7 E E7

I have married a wife, I have bought me a cow.

A E (C#m)

I have fields and commitments that cost a pretty sum,

B7 E

Pray, hold me excused, I cannot come.

A E

A certain man held a banquet on his estate in town,

B7 E E7

He laid a festive table and wore a wedding gown.

A E

He sent invitations to his neighbours far and wide,

B7 E

But when the meal was ready, each of them replied:

The master rose up in anger, called his servants by name:

Said, 'Go into the town, fetch the blind and the lame.

Fetch the peasant and the pauper, for this I have willed,

My banquet must be crowded and my table must be filled.'

When all the poor had assembled, there was still room to spare,

So the master demanded, 'Go and search everywhere,

To the highways and the byways, and force them to come in,

My table must be filled before the banquet can begin.'

Now, God has written a message for the rest of mankind,

If we're slow in responding, He may leave us behind.

He's preparing a banquet for that great and glorious day,

When the Lord and Master calls us, be certain not to say:

## If I Had A Hammer

I' d ring it in the evening, all over this land.  
I' d ring out the danger. I' d ring out a warning,  
I' d ring out the love between my brothers and my sisters  
All over this land.

If I had a song, I' d sing it in the morning,  
I' d sing it in the evening, all over this land.  
I' d sing out the danger, I' d sing out a warning  
I' d sing out the love between my brothers and my sisters  
All over this land.

Well, I' ve got a hammer, and I' ve got my bell  
And I' ve got a song to sing all over this land.  
It' s the hammer of justice, It' s the bell of freedom,  
It' s the song about love between my brothers and my sisters  
All over this land.

## If I Were Free

**D            A7                            D**

If I were free to speak my mind,  
D7    G            A7  
I'd tell a tale to all mankind,  
                 D            D7            G  
Of how the flowers do bloom and fade,  
                 D            A7            D  
Of how we fought and how we gained.

This weary world has had its fill,  
Of words of war on ev'ry hill.  
The time has come for peaceful days,  
For peaceful men and peaceful ways.

When all mankind has ceased to fight,  
I' ll raise my head in thanks each night.  
For this great love, and all it means,  
For golden days and peaceful dreams.

If I were free to speak my mind,  
I'd tell a tale to all mankind,  
Of how the flowers do bloom and fade,  
Of how we fought and how we gained.

## If Life Were Gracious Enough

A        E        F#m    D        A E  
If life were gracious enough to grant my way,  
          A        C#m    F#m  
I would reach to the ends of the earth  
          B7        E  
To give love in every day.  
          F#m        C#m  
And each would find his home  
          D        E        F#m  
With peace and friendship there;  
          F#m        C#m  
Where joyous songs abound  
          D    E7    A    (E)  
And happiness to share.

If life were gracious enough to grant my dream,  
I would see your face in the stars  
And hear your song in every stream.  
The comfort of your smile  
In the warm caress of spring,  
In the dance of life all the while,  
I feel your love in everything.

We will make life gracious enough  
To fulfill our dream.  
We will lift off the weight of the world  
And our love will blossom supreme.  
We will free each heart from the pain  
And anguish of the past.  
Through the preciousness of our love  
True Joy will reign at last.

## I' ll Never Leave You

D                    G D  
I' ll never leave You anymore,  
                    Bm                    A7  
For I have found in Your bright eyes  
                    D                    Bm  
A river of love, a heart of gold,  
                    D                    A7                    D  
A peaceful mind, a hand to hold.

And what' ll I do with this precious gift?  
Shall I embrace it to myself?  
Oh, no I can' t, I would lose it sure;  
It must be given if it' s to endure.

And how will I use this treasure store?  
How will I share this wordless joy?  
I' ll greet all men with a loving heart;  
I' ll speak the truth with a clear voice.

And together we' ll build a world that' s new.  
That' s fit for kings and fit for queens;  
We' ll raise them up to rule the land,  
And place dominion in Your hand.

I' ll never leave You anymore,  
For we have found in Your bright eyes  
A river of love, a heart of gold,  
A peaceful mind, a hand to hold.

## I' m Singing A Song For You

### Chorus:

E A E

I' m singing a song for you

If you' re happy then you can sing too.

A E

Then we' ll sing for everyone

B7 E 7

And the whole world will be happy too.

We can change the world if we work together,

B7 E 7

Spreading love and joy everywhere.

A E

We can change the world if give our hearts out,

B7 E

Showing others that we really care.

We can make the sun shine every day,

In a very special way.

If we let our light shine, there will be no night-time

And everyone will join us as we sing.

Children of the world let us work together,

We can do it if we only try.

We will love each other, live in peace together,

Yes, we' ll do it if we only try.

## Impossible Dream

G C Am  
To dream the impossible dream, to fight the unbeatable foe,

And I know, if I' ll only be true to this glorious quest, that my heart

Will lie peaceful and calm, when I' m laid to my rest.

And the world will be better for this,  
That one man, scorned and covered with scars,  
Still strove with his last ounce of courage,  
To reach the unreachable star.

## I Saw the Light

Praise the Lord, I saw the light.

Well, just like a blind man, I wandered alone,  
Worries and fears, I claimed for my own.  
Then like a blind man, that God gave back his sight,  
Praise the Lord, I saw the light.

Willed to me by my Father's hand.

All my days I will sing in praise

A7 D

Of your forest, waters, your shining sands.

As morning breaks the heaven on high,

I lift my heavy load to the sky.

Sun comes down with a burning glow,

Mingles my sweat with the earth below.

I see a woman on bended knee,

Cutting cane for her family.

I see man at the waterside,

Casting nets in the surging tide.

I pray the day will never come,

That I can't awake to the sound of drums.

Never let me miss carnival,

With calypso song philosophical.

## It' s A Long Road To Heaven

I took their tears and let them be.

I walked one morning at the dawn,  
When wisps of night still lingered on.  
I sought my star, but it was gone.

I walked one morning with a friend,  
And prayed the day would never end.  
The years have flown, so why pretend?

I walked one morning with my King,  
And all my winters turned to spring,  
Yet every moment held its sting.

Stars and Angels sing around Thee, centre of unbroken praise.  
Field and forest, vale and mountain, flowery meadows, flashing sea,  
Chanting bird and flowing fountain, call us to rejoice in Thee.

Thou art giving and forgiving, ever blessing, ever blessed,  
Wellspring of the joy of living, ocean depth of happy rest!  
Thou our Father, Christ is our brother, all who live in love are thine,  
Teach us how to love each other, lift us to the joy divine.

Mortals join the mighty chorus, which the morning stars began,  
Father love is reigning o'er us, brother love binds man to man.  
Ever singing, march we onward, victors in the midst of strife,  
Joyful music lifts us sunward, in the triumph song of life.

C F C G C  
And heaven, and heaven and nature sing.

Joy to the earth the Saviour reigns;  
Let men their songs employ;  
While fields and floods, rocks, hills, and plains  
Repeat, the sounding joy, repeat, the sounding joy  
Repeat, repeat the sounding joy.

No more let sins and sorrows grow,  
Nor thorns infest the ground;  
He comes to make His blessing flow  
Far as the curse is found, far as the curse is found,  
Far as, far as the curse is found.

He rules the world with truth and grace,  
And makes the nations prove  
The glories of His righteousness,  
And wonders of His love, and wonders of His love,  
And wonders, and wonders of His love.

C F  
Some-times in our lives,

We know that there's, always tomorrow.

Somebody to lean on

Please, swallow your pride,  
If there is something you need to borrow.  
For, no one can fill,  
Those of your needs, that you won't let show.

C F G C  
Just call on me brother, when you need a hand,

We all need somebody to lean on.

I just might have a problem that you'd understand,  
C F G C  
We all need somebody to lean on.

If, there is a load,  
You have to bear, that you can't carry.  
I'm, right up the road,  
I'll share your load, If you just call me.

In living to all men that we receive,  
And in dying that we ' re born to eternal life.

Born of the one light, Eden saw play.  
Praise with elation, praise every morning,  
God' s recreation of the first day.

## Nearer My God To Thee

Nearer my God to Thee, nearer to Thee!

D        G        D    A7    D

A7  
Still all my song shall be, nearer my God to Thee,

D        G        D    A7    D  
Nearer my God to Thee, nearer to Thee.

Though like the wanderer, the sun gone down,  
Darkness be over me, my rest a stone.  
Yet in my dreams I' d be nearer my God to Thee,  
Nearer my God to Thee, nearer to Thee.

There let the way appear steps unto heav' n.  
All that Thou sendest me in mercy giv' n.  
Angels to beckon me nearer my God to Thee,  
Nearer my God to Thee, nearer to Thee.

Then with my waking thoughts bright with Thy praise,  
Out of my stony griefs, Bethel I' ll raise.  
So by my woes to be, nearer my God to Thee,  
Nearer my God to Thee, nearer to Thee.

Or if on joyful wing, cleaving the sky,  
Sun, moon, and stars forgot, upward I fly.  
Still all my song shall be, nearer my God to Thee,  
Nearer my God to Thee, nearer to Thee.

Every time I look into the Holy Book  
I wanna tremble.  
When I read about the part where  
The carpenter cleared the temple.  
For the buyers and the sellers  
Were no different fellows  
Than what I profess to be.  
And it causes me shame to know  
I' m not the man I should be.

Mama taught me how to pray  
Before I reached the age of seven.  
When I' m down on my knees  
That' s when I' m close to heaven.  
Daddy lived his life,  
With three kids and a wife,  
You do what you have to do,  
But he showed me enough of what it takes  
To carry you through.

The plan for all creation at long last understood.

As I look all around me and see the coming dawn,  
My grateful heart goes to Him as I awake reborn,  
Now His son has freed us from suffering and pain,

## Spirit of God

C                  F                  C  
Spirit of God in the clear running water,

Blowing to greatness the trees on the hill,

Spirit of God in the finger of morning.

Down in the meadows the willows are moaning,  
Sheep in the pastureland cannot lie still,  
Spirit of God, creation is groaning.

I saw the scar of a year that lay dying,  
Heard the lament of a loan whippoorwill,  
Spirit of God, see that cloud crying?

Spirit of God, ev'ry man's heart is lonely,  
Watching and waiting and hungry until,  
Spirit of God, man longs that you only.

## Streets of London

D                    A                    Bm                    F#m  
Have you seen the old man, in the closed-down market,

Kicking up the paper with his worn out shoes.  
D                    A                    Bm                    F#m

Yesterday' s paper, telling yesterday' s news.

### Chorus:

So how can you tell me you' re lonely,

And say for you that the sun don' t shine.  
D                    F#m  
Let me take you by the hand  
Bm                    D  
and lead you through the streets of London,  
G                    D  
I' ll show you something  
A                    A7                    D  
to make you change your mind.

Have you seen the old girl, who walks the streets of London,  
Dirt in her hair and her clothes in rags.  
She' s no time for talking, she just keeps right on walking,  
Carrying her home in two carrier bags.

In the all night café, at a quarter past eleven,  
Same old man is sitting there on his own.  
Looking at the world over the rim of his tea-cup,  
Each tea last an hour then he wanders home alone.

And have you seen the old man outside the seaman' s mission,  
Memory fading with the medal ribbons that he wears,  
In our winter city, the rain cries a little pity,

For one more forgotten hero and a world that doesn't care.

Coming for to carry me home,  
Just tell my friends I'm coming too,  
Coming for to carry me home.

If I get there before you do,  
Coming for to carry me home.  
I'll dig a hole and pull you through,  
Coming for to carry me home.

I'm sometimes up and sometimes down,  
Coming for to carry me home.  
But still my soul feels heavenly bound,  
Coming for to carry me home.

## The Rose

D            A7        G            A7    D  
Some say love it is a river, that drowns the tender reed.  
D            A7        G            A7    D  
Some say love it is a razor, that leaves your soul to bleed.

Some say love it is a hunger an endless aching need.  
             D            A7        G            A7    D  
I say love it is a flower and you its only seed.

It' s the heart afraid of breaking, that never learns to dance.  
It' s the dream afraid of waking, that never takes the chance.  
It' s the one who won' t be taken, who cannot seem to give.  
And the soul afraid of dying, that never learns to live.

When the night has been too lonely and the road has been too long.  
And you think that love is only for the lucky and the strong.  
Just remember in the winter far beneath the bitter snows.  
Lies the seed that with the sun' s love in the spring becomes the rose.

My countries skies are bluer than the ocean,  
And sunlight beams on clover-leaf and pine.  
But other lands have sunlight too and clover,  
And skies are everywhere as blue as mine.  
Oh, hear my song, thou God of all the nations,  
A song of peace for their land and for mine.

This is my prayer, Oh Lord of all earth' s kingdoms,  
Thy kingdom come, on earth thy will be done.  
Let Christ be lifted up till all men serve him,  
And hearts united learn to live as one.  
Oh, hear my prayer, thou God of all the nations,  
Myself I give thee, Let Thy will be done.

## What Do Think That Happiness Is?

D Bm  
What do you think that happiness is?  
G A7 D  
So I brought my question to the stars.  
D Bm

Most important is for people to be friends,  
           G          A7 D  
 Said the stars with one accord.  
 A7                  D          A7  
 Shining sun is at the center of us all;  
 D              Bm          G          A7  
 Twinkling the nine of us go round the sun,  
 G                          D          Bm  
 And the light of Love is given to us all,  
           G          A7 D  
 This we know is happiness.

What do you think that happiness is?  
 Now I asked the flowers to respond.  
 We compete in sharing beauty all around,  
 Was the answer of the rose.  
 Dressing with care in red and white and yellow robes,  
 Every blossom is a joy to see,  
 So when people say how beautiful we are,  
 This we know is happiness.

What do you think that happiness is?  
 Now I asked the busy meadow larks.  
 We delight in flying high and very far,  
 Sang the larks in joyful song.  
 Though we' re soaring ever higher than before,  
 Sky is above us even higher still,  
 So forever we' ll discover greater heights,  
 This we know is happiness.

What do you think that happiness is?  
 So I asked a flock of gentle sheep.  
 Joy is searching for and following the Lord,  
 Said the sheep in soft reply.  
 Should the wolves be creeping over to attack,  
 We only listen to the Shepherd' s voice,  
 Our Lord gives to us security and calm,  
 This we know is happiness.

## What If God Was One of Us

The whole song is played in a cycle of 4 chords (2 beats on each):  
 F#m D A E

If God had a name, what would it be?  
And would you call it to his face?  
If you were faced with him in all his glory,  
What would you ask if you had just one question?

**Chorus:**

Yeah, Yeah, God is great,  
Yeah, Yeah, God is good,  
Yeah, Yeah, yeah yeah yeah.

What if God was one of us?  
Just a slob like one of us,  
Just a stranger on the bus,  
Tryin' to make his way home.

If God had a face, what would it look like?  
And would you want to see,  
If seeing meant that you would have to believe,  
In things like heaven and Jesus and the saints,  
And all the Prophets.

Yeah, Yeah, God is great,  
Yeah, Yeah, God is good,  
Yeah, Yeah, yeah yeah yeah.

What if God was one of us?  
Just a slob like one of us,  
Just a stranger on the bus,  
Tryin' to make his way home,  
Just tryin' to make his way home,  
Back up to Heaven all alone,  
Nobody callin' on the phone,  
Accept for the Pope maybe in Rome.

Bm                A  
Now we are not afraid,  
F#m                                Bm  
Although we know there' s much to fear,  
G                    D  
We were moving mountains long,  
Em                    A  
Before we knew we could.

### Chorus:

D                    A  
There can be miracles, when you believe,  
Bm                A                G  
Though hope is frail, it' s hard to kill.  
D    A  
Who knows what miracles, you can achieve,  
Bm                A                                G  
When you believe, somehow you will,  
Em                A                D  
You will when you believe.

In this time of fear, when prayer so often proves in vain,  
Hope seemed like the summer birds, too swiftly flown away.  
Yet now I' m standing here, my heart' s so full, I can' t explain,  
Seeking faith and speaking words, I never thought I' d say.

### Chorus

### Bridge: D Bm G A

Bm                A                D  
They don' t always happen when you ask,  
Bm                A                D  
And it' s easy to give in to your fear,  
G                                D                A  
But when you' re blinded by your pain,

Can' t see your way safe through the rain,  
Of still resilient voice says love is very near.

**Chorus:**

There can be miracles, when you believe,  
Though hope is frail, it' s hard to kill.  
Who knows what miracles, you can achieve,  
When you believe, somehow you will,  
You will when you believe.
